We will attempt to have brackets posted by the Tuesday prior to each tournament. Please continue to check for any revisions throughout the week. While we do not expect revisions, brackets will not be final until 8:00PM on Thursday.

### ***Team Check In:***

Managers are required to check in at least 30 minutes prior to the start of your first game.

All fees still due must be paid at check in.

Your team roster must be updated online... your online roster is your official roster for the tournament.

You will receive one pitching card – additional card will be given when completed card is returned. Pitching cards must be signed by manager/representative from both teams and must be turned in within 15 minutes of the conclusion of each game... failure to do so may result in forfeit for non-compliant team. **USSSA PITCHING LIMITATIONS ARE IN EFFECT**

### ***Championship Seeding:***

At the conclusion of pool play, teams will be seeded for championship brackets based on record, head to head, runs allowed, run differential (max +/- 8). If three or more teams are tied on record, head to head is skipped and runs allowed is the next method to determine seeding. In the event that all seeding methods above have been exhausted, seeding will be determined by coin toss.

### ***Time Limits & Schedules:***

Time limits in effect for all games will be 1 hour and 40 minutes. No new inning will begin after this time has expired. No time limits will be in effect for championship games. In the event of weather delays or other unforeseen schedule issues, FDDBA reserves the right to amend the schedule of games and/or time limits as necessary.
