

Mission

The mission of the Fort Dodge Baseball Association is to use the vehicle of a challenging, competitive baseball program to help develop the character of young people in the Fort Dodge community. FDBA baseball strives to develop the talent of baseball players through a program of outstanding instruction that emphasizes both the skills of the game as well as the player's commitment to learning and personal improvement. FDBA baseball seeks to develop young people who are both skilled in the game of baseball and better prepared for leadership in the community.

A team effort

Quality coaching and parent involvement are keys to the success of our organization. Our coaching staff volunteers much time and expense to learn the latest and most effective coaching and practice techniques. These techniques are tailored to meet the skill level of each team and individual player. The player's skills are developed through supportive coaching, quality competition, and a positive family environment. FDBA parents provide added support and commitment to further enrich the development of our youth. Parents assist in practices and games, as well as helping with field maintenance, travel accommodations, and concessions. The, entire FDBA, family works together to promote an exciting and fulfilling baseball experience.
